Awarding of Advanced Placement Credit—update

Calculus: At UNLV, UNR, and CCSN, credit is awarded for MATH 181 with a 3 or higher on the Calculus AB exam, and for MATH 182 for a 3 or higher on the Calculus BC exam. No credit is awarded for Calculus at NSC.

Statistics: At UNLV, credit is awarded for STAT 161 with a 3 or higher on the Statistics exam. At UNR, credit is awarded for MATH 152 with a 3 or higher on the Statistics exam. No credit is currently awarded for Statistics at NSC or CCSN.

Many programs not requiring these specific courses will accept them for credit if parallel or superior to their offerings.
